

Lista Vini | Wine List

Our passion for great wine requires us to continuously taste some of the best wines from Italy, California and other regions of the world and we will make changes every few months to the wine list.

Some of our wines and specific vintages may not always be available due to market conditions. Our Sommelier is available to assist you with a comparable selection if your choice is not available.

If you are planning a special dinner, event or party and would like us to arrange special wine selections for you, we would be pleased to satisfy your needs. Please let us know how we can be of service to you.
